TRADE WINDS VAGABOND

Points East Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you have ever sat in your office cubby with its close walls and phony corporate tin-soldiers around you, or hated your day-to-day same-old box-stacking job and daydreamed about sailing away to the land of white beaches, coconut palms, turquoise waters and cool rum drinks, then this book is for you. It s about a disillusioned young man who casts off the lines that tie him down like Gulliver, and chases his dreams south to the warm waters of the Caribbean in search of a new life. Captain Nate Williams adventure begins where such daydreams leave off. Nate becomes obsessed with what the sailor has learned, and how it has seemingly changed his life. Sailing away represents freedom, a break-out, a refreshing change, if only he can take the big step. As a youth, he was captivated by the great adventure books like the Bounty trilogy. He dreams of exotic destinations; he wants to make a radical change in his life. Captain Nate has sailed to many places delivering boats, but these delivery boats were never his own boat. Nate can t afford a fancy new sailboat or yacht to carry him away on his dreamed-of adventure, so he finds an...
