Tip 26 - Relationships are not easy Come on, you thought that you would know this by now! Probably you do actually know it. But for some reason you still believe in the fantasy that committed relationships and marriage are always carefree and easy. But, it is hard on all of us. Good things in life require effort and investment. Dont think your relationship sucks just because it needs some work. With over a decade of experience in working with individuals and couples, lots of humor and practical tips, Liat gives you a glimpse inside your own relationship - Reminding you that relationships do require work but still can and should be fun. Relationships can get rough sometimes, but it doesnt mean they always have to be that way. With a smile and the ability to laugh at oneself, we can make our relationships really awesome. Maybe not all the time, but most of it. This book is for those who have been in a relationship so long that they completely forgot what it really means, and how good it really is; and for those who are just starting and want to build their relationship on good and healthy foundations. If you are still looking for that perfect someone, I invite you, too, to read this book. I want to tell you that relationships are not perfect, not easy, and definitely will not solve all your problems. Rather, it consists of continual hard work by two completely different people trying to share their lives. So, enjoy this time alone, learn to know yourself, and do not wait for a fairy tale - create one. You can read this...
