Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

As you open these drawers, as many of us do when we are sitting here listening and debating, you tend to look at the names that are there. I see Robert Taft at the bottom of this drawer, Hugh Scott, Everett Dirksen, Howard Baker, Bob Dole, Trent Lott, and the list goes on. And with the quiet here, you begin to reflect a little bit. But then all of a sudden you start thinking, as you are carving your name into that drawer, that there arent very many things that you leave that are permanent around here, but that is one. It confronted me, as it hits me with such force today, that our time here, indeed, is temporary, and that we are here to occupy these seats at these desks just for a period of time. We can never forget that we dont own these seats. We dont own our presence in this U. S. Senate. It is with that recogni-tion that I address my colleagues today. I have reflected a lot over the last several weeks, and I think...
