OVAL BOOKS, United Kingdom, 2009. Paperback. Book Condition: New. New. 170 x 110 mm. Language: English . Brand New Book. A polarized people The Poles are either bubbling with life, or comatose; they love or they loathe. It is this total commitment to the occupation of the moment which earns them the reputation of being mercurial. As Hemar wrote in his song: If only Poles did systematically and economically what they do spontaneously, they would be perfect. Necessity is the mother of invention Key national characteristics are adaptability, a knack for improvisation, and the ability to make the best of what is available. A good Polish cook is one who can make gourmet soup from a rusty nail. The Polish touch Devotion to style pervades all areas of life: the table might be rickety, but it is covered with a snowy tablecloth and decorated with a vase of flowers. Never say never When the Communists rather foolishly tried to stop the Poles practicing their religion, the churches filled to overflowing. Forbidden is a term of encouragement to a Pole.
