Broadman Holman Publishers, United States, 2006. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. All sensationalism aside, what is the biblical truth about spiritual warfare? Conservative pastor Mark Cortis understands the cosmic battle between God and Satan is very real, spilling onto the earth every day and causing difficult moments in every Christian s life. But perception is crucial in the matter. While many see spiritual warfare as a personal attack upon themselves, Cortis shows how Satan s attacks are always aimed directly at God in an eternal attempt to gain control over His creation. Addressed in that context, readers are inspired all the more to remain faithful and use their lives in defense of God s good name as the spiritual warfare rages on.
