BRAND NEW, U.S.-Russian Relations at the Turn of the Century: Reports of the Working Groups Organized by the Carnegie Endowment for International Peace, Washington, D.C. and the Council on Foreign and Defense Policy, Moscow, Carnegie Endowment For International Peace, Council On Foreign And Defense Policy, In the spring of 1999, when U.S.-Russian relations had reached one of the lowest points in the post-Soviet period, the Carnegie Endowment for International Peace and the Council on Foreign and Defense Policy in Russia launched parallel working groups in Washington and Moscow. U.S.-Russian Relations at the Turn of the Century, the final report from those meetings, provides analyses and guidelines for improving troubled relations between the two superpowers. Calling for renewed broad engagement and for rebuilding the relationship on a more realistic basis, this work sets key points in the agenda as policy makers and the two countries face new political leadership. Includes both English and Russian language texts.
