

Sally Ride: Life on a Mission

By Sue Macy

Aladdin, United Kingdom, 2016. Paperback. Book Condition: New. Reprint ed.. 188 x 135 mm. Language: English . Brand New Book. Sally Ride was more than the first woman in space she was a real-life explorer and adventurer whose life story is a true inspiration for all those who dream big. Most people know Sally Ride as the first American female astronaut to travel in space. But in her lifetime she was also a nationally ranked tennis player, a physicist who enjoyed reading Shakespeare, a university professor, and the founder of a company that helped inspire girls and young women to pursue careers in science and math. Posthumously, she was a recipient of the Presidential Medal of Freedom. From Sally Ride's youth to her many groundbreaking achievements in space and beyond, Sue Macy's riveting biography tells the story of not only a pioneering astronaut, but a leader and explorer whose life, as President Barack Obama said, demonstrates that the sky is no limit for those who dream of reaching for the stars.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
