Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

SIMON SCHUSTER, United States, 2016. Paperback. Book Condition: New. Export. 209 x 139 mm. Language: English . Brand New Book. From the award-winning and New York Times bestselling author of *Five, Six, Seven, Nate!* and *Better Nate Than Ever* comes a laugh-out-loud sad YA debut that's a wry and winning testament to the power of old movies and new memories—one unscripted moment at a time. Quinn Roberts is a sixteen-year-old smart aleck and Hollywood hopeful whose only worry used to be writing convincing dialogue for the movies he made with his sister Annabeth. Of course, that was all before—before Quinn stopped going to school, before his mom started sleeping on the sofa, and before Annabeth was killed in a car accident. Enter Geoff, Quinn's best friend who insists it's time that Quinn came out—at least from hibernation. One haircut later, Geoff drags Quinn to his first college party, where instead of nursing his pain, he meets a guy—a hot one—and falls hard. What follows is an upside-down week in which Quinn begins imagining his future as a screenplay that might actually have a happily-ever-after ending—if, that is, he can finally step back into the starring role of his own life story.
