TRANSPORT AND NEIGHBOURHOODS

Black Dog Publishing. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 7.3in. x 5.5in. x 0.5in. As the environment becomes more fragile, existing transportation networks are more and more strained. Issues such as food miles and embodied energy in goods and products will become far more significant. Personal carbon quotas are likely to force a re-evaluation of our current lifestyles and single trips will carry greater levels of expectation. Casual long distance travel may be socially decried. Edge Futures are a...
