Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Expert Waitress: A Manual for the Pantry, Kitchen, and Dining-Room This book was not written as a compendium of all the rules necessary for conventional service in houses where many servants are employed, but because the author felt that a simple manual for the pantry would be of help to the waitress as a cook-book is to the cook, and in the belief that it would increase the comfort of those mistresses who employ only one or two maids. The sale of the book has been much greater than was anticipated, and naturally criticisms and suggestions have come to author and to publisher. Some of these have been made without any true understanding of the modest aim of the author; but, taken all in all, they go to prove that the work has a wider field than was foreseen, and can be made helpful to more persons, whether they be mistresses or maids, if there be added some rules of service which are more in accordance with usages at present accepted in the majority of households.
