WHY FRANCE?: AMERICAN HISTORIANS REFLECT ON AN ENDURING FASCINATION

DOWNLOAD

Cornell University Press, United States, 2009. Paperback. Book Condition: New. 218 x 142 mm. Language: English . Brand New Book. France has long attracted the attention of many of America s most accomplished historians. The field of French history has been vastly influential in American thought, both within the academy and beyond, regardless of France s standing among U.S. political and cultural elites. Even though other countries, from Britain to China, may have had a greater impact on American history, none has exerted quite the same hold on the American historical imagination, particularly in the post-1945 era.To gain a fresh perspective on this passionate relationship, Laura Lee Downs and Stephane Gerson commissioned a diverse array of historians to write autobiographical essays in which they explore their intellectual, political, and personal engagements with France and its past. In addition to the essays, *Why France?* includes a lengthy introduction by the editors and an afterword by one of France s most distinguished historians, Roger Chartier. Taken together, these essays provide a rich and thought-provoking portrait of France, the Franco-American relationship, and a half-century of American intellectual life, viewed through the lens of the best scholarship on France.Contributors: Ken Alder, Northwestern University; John W. Baldwin, The Johns Hopkins University; Edward Berenson, New York University; Herrick Chapman, New York University; Roger Chartier, Ecole des Hautes Etudes en Sciences Sociales; Clare Haru Crowston, University of Illinois at Urbana-Champaign; Barbara Diefendorf, Boston University; Laura Lee Downs, Ecole des Hautes Etudes en Sciences Sociales; Stephane Gerson, New York University; Jan Goldstein, The University of Chicago; Lynn Hunt, UCLA; Steven Kaplan, Cornell University; Thomas Kselman, Notre Dame University; Herman Lebovics, SUNY Stony Brook; Robert Paxton, Columbia University; Todd Shepard, The Johns Hopkins University; Leonard V. Smith, Oberlin College; Gabrielle Spiegel, The Johns Hopkins University; Tyler Stovall, University of...
