Albert Whitman. 1 Cloth(s), 2014. hard. Book Condition: New. The American flag has had 50 stars and 13 stripes for more than half a century, making it particularly intriguing for readers 7 to 10 to look back at the many different versions of "Old Glory" through the years. After explaining the universal significance of flags, Cheryl Harness recounts how flags helped to unite the original colonies against Great Britain, and how the massive banner that flew above Fort McHenry in 1814 was created in defiance of the British fleet attacking Baltimore. In her paintings, Harness depicts historic scenes in great detail and showcases interesting, little-known flags from the Revolutionary era. The book also includes a timeline and the full lyrics of "The Star-Spangled Banner." 32.
