A MAN'S GUIDE TO A NURSING CAREER

Springer Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, A Man's Guide to a Nursing Career, Chad O'Lynn, Named a 2013 PROSE Award Honorable Mention in Nursing and Allied Health Sciences Winner of the Dr. Gene Tranbarger Writing Award from the American Assembly for Men in Nursing "Though O'Lynn emphasizes a male perspective on becoming a nurse, this book should be required reading for anyone thinking about entering the nursing profession. The section on nursing education from the perspective of both students and instructors is worth the price of the book. Highly recommended." --Choice: Current Reviews for Academic Libraries "I love this book. It has inspired and motivated me to continue to do something for men in nursing at the college where I teach as well as for men in our delivery rooms and postpartum units. We need to move beyond women and children and include men as fathers to truly promote wellness for families." Janet Ierardi, MSN, RNC, CNE Assistant Professor Family Focused Nursing Lawrence Memorial/Regis College Nursing Program This is a nuts and bolts guide to a career in nursing—from the earliest consideration of a nursing career through education and clinical practice—designed specifically for men. Written by the author of "Men in Nursing: History, Challenges and Opportunities," it was created at the request of numerous colleagues for a book that addressed the practical needs and concerns of men throughout their nursing career journey. The text presents the numerous career paths available in nursing along with a consideration of their financial benefits, job security, personal fulfillment, and the need for nurses who are adept at information management and high tech-skills. The history of nursing is discussed through biographies of nine remarkable male nurses, offering much needed historical role models. The guide discusses strategies for dealing with a rigorous nursing curriculum compounded...
