

Alberix the Celt Book 1: Weep the Long Sorrow

Filesize: 8.35 MB

Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.

(Prof. Corbin Hilll)

ALBERIX THE CELT BOOK 1: WEEP THE LONG SORROW

Plain View Press. Paperback. Book Condition: New. Paperback. 382 pages. Dimensions: 9.1in. x 6.0in. x 0.9in. In the spring of 58 BCE the Celtic tribe of Helvetii, then settled in present-day west-central Switzerland and pressured by Germanic tribes from across the Rhine River, voted to migrate to lands in Gaul near the Atlantic Ocean. Gaius Julius Caesar opposed their passage through a Roman province, subsequently defeating an army several times larger than his available legions. In eight campaign seasons, Caesar made Gaul part of Rome's growing empire: Roman institutions of government, law, and customs were veneered onto those of the Celts. The Gallo-Roman culture that prospered formed the matrix for much of modern European civilization. That long ago Helvetian decision was the determining factor in ending a millennium of Celtic dominance in Europe, yet the Roman conquest assured that when devastating barbarian invasions erupted in the third to sixth centuries, those Germanic and Gothic tribes eventually would become Latinized. This novel personalizes the Celtic struggle against Caesar by those tribesmen who opposed him, those who supported Rome, and of the legion commanders who believed that bringing Romanitas—their concept of civilization—to the known world was the sacred destiny of Rome. Book 1. After his father is killed by raiding Germanic warriors, Alberix, his mother and two uncles resettle in his aunt's village. One uncle is a crafter, the other a druid who teaches him arcane lore that controls Celtic gods. When Romans arrive to build watchtowers and warn of a Helvetii tribal migration, Alberix learns Roman concepts of justice from Lucius. A clique of warriors harass the outsiders, while a rival druid preaches rebellion. When the Helvetii move into Caesar's province and suffer defeat, a chieftain warns Alberix to find a leader among his people. Plots continue for a rebellion he...
