

The Decision: Your Prostate Biopsy Shows Cancer. Now What?: Medical Insight, Personal Stories, and Humor by a Urologist Who Has Been

By John C. McHugh M. D.

Jennie Cooper Press. Paperback. Book Condition: New. Paperback. 232 pages. Over 200, 000 times a year a patient will leave his urologists office having been told he has prostate cancer. What the patient thought to be a disease of old men from which they do not die, now presents a very complicated and frustrating dilemma about what treatment to pursue. The newly diagnosed prostate cancer patient does not need a definitive text book on prostate cancer; rather, he needs to know what is pertinent and specific to him in making a decision on how to treat it. The Decision offers the reader an insiders view to the key issues necessary for a well thought out treatment plan that is unique to him. Drawing upon his experience in treating prostate cancer for over twenty years, as well as having been through the decision making and treatment process as patient himself uniquely qualifies Dr. McHugh as a mentor to the reader. His book outlines a novel and multi-faceted approach to aid the newly diagnosed prostate cancer patient in making his Decision. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This ebook is wonderful. I have got go through and so i am certain that i am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.

-- Miss Ariane Mraz

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
