Transworld Publishers Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Funny, wise, learned and compulsive. (GQ). Bill Bryson turns away from travelling the highways and byways of middle America, so hilariously depicted in his bestselling *The Lost Continent*, *The Life and Times of the Thunderbolt Kid* and *Notes from a Big Country*, for a fast, exhilarating ride along the Route 66 of American language and popular culture. In *Made in America*, Bryson tells the story of how American arose out of the English language, and along the way, de-mythologizes his native land - explaining how a dusty desert hamlet with neither woods nor holly became Hollywood, how the Wild West wasn't won, why Americans say lootenant and Toosday , how they were eating junk food long before the word itself was cooked up - as well as exposing the true origins of the words G-string, blockbuster, poker and snafu. A tremendously sassy work, full of zip, pizzazz and all those other great American qualities. (Will Self, *Independent on Sunday*).
