Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

DANIEL S BEETLES

Poetry Wales Press, United Kingdom, 2011. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book. At the age of six, Daniel was playing with insects in the garden when he saw his father fall to his death. Forty years later, Daniel is a middle-aged entomologist stuck in an unsatisfying relationship and caring for his increasingly forgetful mother. His humdrum life takes a dramatic turn when a blind woman joins his monthly reading group and recruits him to prepare translations for a mysterious company. As his new job's duties become all-consuming, the boundaries between reality and fantasy, memory and experience, and vision and blindness all begin to blur. Gradually, Daniel uncovers a sinister way to help his mother enjoy her memories and, in turn, rewrite his own past. Offering a fresh perspective on the subjects of memory and deceit, this narrative also provides insight into the world of contemporary Welsh literature.
