Omnibus Press. Paperback. Book Condition: new. BRAND NEW, "Smile": The Lily Allen Story, Bella Wolfson, Winning awards, losing love, longing for stability and affection, being pitted against Amy Winehouse by the press - Lily's meteoric rise to fame has been peppered with extreme highs and lows, no lower than when she tragically suffered a miscarriage in 2008. A story that was, like every step of Lily's life, pored over by the press. Unlike many more demure pop princesses, Lily smokes, drinks, eats - yes, eats - and has a damn good time doing it, all the while keeping the tabloids on their toes. From her debut album "Alright, Still" to sophomore release "It's Not Me, It's You", Lily has been singing sweetly about all of it from bad sex, naughty boys, beating depression, joint-smoking brothers, cocaine to her gran, her insecurities and her home town.
