

Dance

By Jennifer Zakkai

Stenhouse Publishers. Paperback. Book Condition: new. BRAND NEW, Dance, Jennifer Zakkai, Jennifer Donohue Zakkai illuminates why and how dance is a powerful tool for learning and creativity in K-6 classrooms. In this "workshop on paper" you'll discover how to build on what you already know about movement, and implement techniques to tap into children's natural appetite for moving. Zakkai addresses the challenges of engaging students in full-bodied motion in the classroom. She focuses first on helping students become responsible movers in the space, then offers structured learning experiences that demand a high level of concentration and creativity. Through verbal prompts--not demonstrations--that involve students in creative problem-solving, students learn through discovery instead of imitation. You don't have to be a dancer to use the detailed model lessons that guide you through warm-ups, movement explorations, rich curricular integrations, culminating activities, observation and reflection. To help your students understand curriculum content, express themselves in creative ways, and learn about dance as an art form, Dance as a Way of Knowing offers a progression of strategies that will make this vibrant discipline come alive in your classroom.
