After many centuries of occupation and negative memories of history, Hungary is integrated into a big European community. Hungary is located in the middle of Europe, but was always seen as an Eastern European country. With the membership of Hungary in the EU, Hungary became the bridge between Western Europe and Eastern Europe/Russia. The Hungarian government and the population expected a lot from the membership, but what has Hungary achieved and what are the opinions of Hungarians now about the EU after three years membership 20 pp. Englisch.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
